

Appendix 3-K

Summary of YMI Communications with the Public

HARPER CREEK PROJECT

**Application for an Environmental Assessment Certificate /
Environmental Impact Statement**

APPENDIX 3-K. SUMMARY OF YMI'S COMMUNICATIONS WITH THE PUBLIC (TO JULY 31, 2014)

Provided below is a summary of key YMI initiated communications between September 2010 and July 31, 2014 with license and tenure holders and landowners in the Project vicinity (Table 3-K1), local government (Table 3-K2) and the public (Table 3-K3). This record does not include communications pertaining to setting up meetings.

Table 3-K1. Summary of YMI's Communications with License and Tenure Holders, and Landowners (to July 31, 2014)

| ROC # | Date (Location) | Communication Method | Topic of Discussion |
|---|----------------------------|-------------------------|---|
| Canadian Forest Products Ltd. (CANFOR) | | | |
| 1038 | 08/16/2011 (Vavenby) | Meeting | 1) Discussed CANFOR operations and the rail line. 2) Comments: (a) labour force, sharing apprenticeships. |
| 540 | 08/30/2011 | E-mail | 1) YMI requested information on loads and local road use (CANFOR provided requested information 08/30/2011). |
| 669 | 11/02/2011 | E-mail | 1) Discussed employment and jobs, as well as number of railcars through Vavenby on a daily basis. |
| 672 | 11/02/2011 | E-mail | 1) YMI requested, information on rail car volumes (CANFOR provided requested information 11/02/2012). |
| 676 | 11/03/2011 | Letter | 1) YMI responded to CANFOR's 10/17/2011 letter regarding proposed forest management activities within YMI's area of interest. |
| 1665 | 06/21/2012 | E-mail | 1) YMI informed CANFOR of its upcoming drilling program and field work. Discussed road use. |
| 1713 | 06/28/2012 | E-mail | 1) YMI requested a meeting on 07/04/2012 to discuss road use. |
| 1742 | 07/04/2012 | E-mail | 1) YMI requested a meeting the week of 07/11/2012 to discuss road use. CANFOR was not available to meet. |
| 3063 | 02/05/2014 (Clearwater) | Meeting | 1) Discussed potential power needs in the North Thompson Valley and potential for a future labor shortage with the District of Clearwater Mayor & Council and CANFOR. |

| ROC # | Date (Location) | Communication Method | Topic of Discussion |
|--|--------------------|-------------------------|---|
| Clearwater Sno-Drifters Snowmobile Club | | | |
| 5 | 08/02/2011 | Letter | YMI responded to the 06/19/2011 letter in which Sno-Drifters Snowmobile Club noted concerns about safety of recreational and commercial users of the roads and trails, access to their cabins and snowmobiling areas, and suggested a year-round access route be created for recreational users. YMI is aware of Sno-Drifters use of the area and will be in contact when they have more information on potential options to allow Sno-Drifter use of the general area. 2) Comments: (a) effects on snowmobile access in the area; (b) safety of recreational users of area FSRs and trails. |
| 2230 | 12/05/2012 | Phone Call | 1) YMI informed the stakeholder of the winter drilling program. |
| Landowner 1 | | | |
| 179 | 05/04/2011 | Meeting | 1) Landowner asked the hydrology team about water sampling on Jones and Avery Creeks. Requested that YMI provide information about the Project. |
| 182 | 05/09/2011 | Phone Call | 1) Landowner asked for direct communication with YMI. Priority is to understand how the ranch may be affected by the Project and how YMI will address their interests. |
| 771 | 06/02/2011 | Meeting | 1) YMI provided information on the Project. |
| 1009 | 07/05/2011 | Meeting | 1) Power Line: Concerned about potential effects on ranch. YMI will provide information on what the power lines would look like. 2) Traffic: Concerned about vehicles travelling too fast on local roads. 3) Comments: (a) vehicle speed on local roads. |
| 358 | 07/12/2011 | Meeting | 1) Discussed the Project, as well as the power line, woodlot/range use and proposed loadout site. A tour of the property was provided and a number of points were located to put on a map showing the potential route for the power line. |
| 1016 | 07/18/2011 | Phone Call | 1) Discussed the Project and potential route of the power line through the landowner's property. |
| 389 | 07/28/2011 | Site Visit | 1) Toured the site. Discussions included: site layout and EA process, grazing areas and sheep access, tailings dam and proposed power line route. 2) Comments: (a) water flow after dam construction; (b) access restrictions on local roads. |
| 1076 | 10/12/2011 | Meeting | 1) Discussed a map showing the proposed power line route and the preferred option. 2) Comments: (a) visual impact of power line; (b) effects on ecotourism. |

APPENDIX 3-K. SUMMARY OF YMI'S COMMUNICATIONS WITH THE PUBLIC (TO JULY 31, 2014)

| ROC # | Date (Location) | Communication Method | Topic of Discussion |
|--------------|----------------------------|---------------------------------|--|
| 1119 | 11/24/2011 | Meeting | 1) YMI provided a map of the proposed power line route to the landowner. |
| 1183 | 03/05/2012 | E-mail | 1) YMI provided a Project update. |
| 1335 | 05/02/2012 | E-mail | 1) YMI notified landowner of upcoming fieldwork at the site and water sampling. |
| 1485 | 05/29/2012 | E-mail | 1) YMI provided an update on the baseline studies and EA process timeline. |
| 1841 | 07/12/2012 | Meeting | 1) YMI provided a Project update. Also discussed the proposed power line route. |
| 2008 | 08/31/2012 | Meeting | 1) Discussed proposed power line route through the landowner's woodlot. |
| 3282 | 11/06/2012 | Meeting | 1) Discussed mitigation options. |
| 2357 | 11/13/2012 | E-mail | 1) YMI provided information about the upcoming winter drilling program. |
| 2615 | 08/01/2013 | E-mail | 1) YMI noted that Knight Piesold will be collecting hydrology baseline information on Jones Creek starting 08/12/2013. |
| 2525 | 08/09/2013 | Meeting | 1) YMI provided an update on the Project and the EA process. 2) Discussed Project related use of Birch Island and Lost Creek Roads during construction, and potential effects on the landowner's property. |
| 2690 | 11/21/2013 | Phone Call | 1) YMI requested two meetings with the landowners - with a historian to document their use of the mine site area, and to meet the new YMI CEO. Landowner will provide potential dates. 2) Landowner requested a map of the proposed power line routes; YMI will provide a map at the meeting. |
| 2853 | 01/08/2014 | E-mail | 1) YMI requested a meeting to introduce the new YMI CEO and provide an update. |
| 2851 | 01/21/2014 | Interview | 1) Interview of landowner for baseline study. |
| 3064 | 02/05/2014 | Meeting | 1) YMI provided a Project update. Also discussed power line route options and mitigation. |
| 2863 | 02/06/2014 | E-mail | 1) YMI thanked the landowners for their meeting on 02/05/2014. Requested a follow up meeting to discuss mitigation options for the power line route. 2) YMI is preparing a report on the recent well water analysis, and will provide it this spring. 3) A historical report is being prepared by a consultant, and a draft will be provided for review. |
| 2867 | 04/17/2014 | E-mail | 1) YMI notified landowners of upcoming water sampling. |

| ROC # | Date (Location) | Communication Method | Topic of Discussion |
|--------------------|----------------------------|---------------------------------|---|
| 3283 | 05/12/2014 | Letter | 1) YMI provided a copy of the water quality analysis of water samples taken from the wells of local area residents in 2013. Noted that measured parameters were well below the safe water drinking guidelines. |
| 3128 | 06/09/2014 | E-mail | 1) YMI provided a copy of the draft historical report prepared from the interview with landowners. |
| 3268 | 07/08/2014 | Meeting | 1) Discussed potential power line route options. |
| 3216 | 07/13/2014 | E-mail | 1) YMI will provide information on width of right-of-way and pole distance questions raised by the landowner at their 07/08/2014 meeting for their meeting in August. |
| 3247 | 07/25/2014 | E-mail | 1) YMI provided the final version of the historical report that incorporates the landowner's revisions (comments received on 07/12/2014). Will send additional historical information collected and a bound copy by postal mail. 2) Meeting to discuss the power line route and mitigation options confirmed for 08/18/2014. |
| Landowner 2 | | | |
| 1620 | 05/12/2012 | Phone Call | 1) YMI provided project information to the landowners. |
| 1516 | 06/05/2012 | E-mail | 1) Meeting with landowner set for 07/13/2013. |
| 1783 | 07/13/2012 | Meeting | 1) Discussed the proposed power line route. |
| 949 | 08/20/2012 | Phone Call | 1) Discussed reclamation of the proposed power line route, weed control, using the existing road during construction and width of the right-of-way. 2) Comments: (a) reclamation of the power line route; (b) weed control. |
| 1389 | 09/05/2012 | Phone Call | 1) YMI invited the landowner to the open house on 09/13/2012. 2) YMI would like to meet with the landowner to further discuss the proposed power line route through their property. |
| 2228 | 11/28/2012 | Phone Call | 1) Landowner requested involvement in the final power line route through his property. |
| Landowner 3 | | | |
| 3080 | 04/17/2014 | Phone Call | 1) YMI left a voicemail that consultants will be sampling their well water on 04/28/2014. A copy of the 2013 analysis report will be provided. |
| 3284 | 05/12/2014 | Letter | 1) YMI provided a copy of the water quality analysis of water samples taken from the wells of local area residents in 2013. Noted that measured parameters were well below the safe water drinking guidelines. |

| ROC # | Date (Location) | Communication Method | Topic of Discussion |
|-------------------------------|----------------------------|---------------------------------|--|
| Landowner 4 | | | |
| 3084 | 04/17/2014 | Phone Call | 1) Discussed the 2013 well water analysis report and 2014 water sampling program. Consultants will be out to sample well water on 04/28/2014. YMI will provide a copy of the 2013 report. |
| 3273 | 05/12/2014 | Letter | 1) YMI provided a copy of the water quality analysis of water samples taken from the wells of local area residents in 2013. Noted that measured parameters were well below the safe water drinking guidelines. |
| Landowner 5 | | | |
| 3082 | 04/17/2014 | Phone Call | 1) Discussed the 2013 well water analysis report and 2014 water sampling program. Consultants will be out to sample well water on 04/28/2014. YMI will provide a copy of the 2013 report. |
| 3186 | 05/12/2014 | Letter | 1) YMI provided a copy of the water quality analysis of water samples taken from the wells of local area residents in 2013. Noted that measured parameters were well below the safe water drinking guidelines. |
| Landowner 6 | | | |
| 3288 | 04/17/2014 | Phone Call | 1) YMI left a voicemail that consultants will be sampling their well water on 04/28/2014. A copy of the 2013 analysis report will be provided. |
| 3279 | 05/12/2014 | Letter | 1) YMI provided a copy of the water quality analysis of water samples taken from the wells of local area residents in 2013. Noted that measured parameters were well below the safe water drinking guidelines. |
| Raft River Rock Hounds | | | |
| 1483 | 05/29/2012 | E-mail | 1) YMI will try to arrange for one of their geologists to talk to the Raft River Rock Hounds about the geology of the local area and mine site. |
| 1859 | 07/13/2012 | E-mail | 1) YMI responded to request to meet with a YMI geologist (07/02/2012). Site tour will be arranged for August. |
| 1833 | 08/09/2012 | Site Visit | 1) Site tour of core shack and mine site provided for Raft River Rock Hound members. |
| 1992 | 08/22/2012 | E-mail | 1) YMI invited the Raft River Rock Hound members to attend the open house on 09/13/2012 in Clearwater. |
| 2065 | 09/18/2012 | E-mail | 1) In response to their suggestion (09/19/2012), YMI sent pamphlets on employment and training opportunities associated with the Project and mining in general to share with the local school. |

| ROC # | Date (Location) | Communication Method | Topic of Discussion |
|----------------------------|--------------------|-------------------------|---|
| Range Tenure Holder | | | |
| 797 | 06/23/2011 | Meeting | 1) Discussed range tenure holder's concerns about how the mine will affect their cattle and business. 2) Comments: (a) effects on range area for livestock; (b) heavy snowfall in Project area fences won't work (they won't hold up); (c) mitigation measures. |
| 1010 | 07/05/2011 | Meeting | 1) Land Use: Concerned about effects on livestock, forage, product branding, fencing. 2) Tailings Pond: How to limit access by cattle. 3) Traffic: Asked about amount of traffic in the area. 4) Comments: (a) mine effects on their land use; (b) management of cattle and impact on forage onsite, (c) product branding. |
| 1048 | 08/15/2011 | Meeting | 1) Discussed effects of mine development on their range tenure and potential mitigation options. |
| 1832 | 06/28/2012 | Phone Call | 1) YMI informed the range tenure holders that baseline information collection is almost complete and that nothing will be changing on the site this year. |
| 1835 | 06/29/2012 | Meeting | 1) Discussed potential Project effects on the range tenure and potential mitigation options. |
| 1757 | 07/10/2012 | Meeting | 1) Discussed potential effects of mine site development on the range tenure and potential mitigation options |
| 1849 | 07/30/2012 | Phone Call | 1) Discussed potential mitigation options. |
| 1869 | 08/21/2012 | Site Visit | 1) Range tenure holder and BC MFLNRO toured the site and discussed its relationship to the range tenure. 2) Comments: (a) reclamation of drill pads; (b) lack of site signage. |
| 2197 | 09/26/2012 | Phone Call | 1) Discussed Project effects on range use and mitigation options. 2) Comments: (a) cost and challenge of moving to another range tenures. |
| 2149 | 10/09/2012 | Meeting | 1) Discussed potential mitigation options for the range tenure holders |
| 2191 | 10/10/2012 | E-mail | 1) YMI clarified answers to the question regarding reclamation seed mix asked at the meeting on 10/09/2012. |
| 2399 | 02/04/2013 | E-mail | 1) YMI provided an update on the status of the Application/EIS. |
| 2437 | 04/11/2013 | E-mail | 1) YMI provided an update on the Application/EIS and review process. |
| 2541 | 07/02/2013 | E-mail | 1) YMI requested information from landowner regarding movement of cattle to the mine site. |

| ROC # | Date (Location) | Communication Method | Topic of Discussion |
|---------------------------------|----------------------------|---------------------------------|---|
| 2691 | 11/21/2013 | Phone Call | 1) YMI requested two meetings with the range tenure holders: (a) with a historian to document their use of the mine site area; and (b) to meet the new YMI CEO. Range tenure holder will provide potential dates. |
| 2695 | 12/03/2013 | Phone Call | 1) YMI provided a Project update. |
| 2859 | 01/20/2014 | Interview | 1) Interview of range tenure holder for historical report. |
| 3044 | 02/05/2014 | Meeting | 1) YMI provided a Project update. Also discussed the power line route options and mitigation options. |
| 3127 | 06/09/2014 | E-mail | 1) YMI provided a copy of the draft historical report prepared from the interview with the tenure holder (01/20/2014). |
| 3246 | 07/25/2014 | E-mail | 1) YMI provided the final version of the historical report that incorporates the range tenure holder's (07/01/2014) revisions. Will send additional historical information collected and a bound copy by postal mail. |
| Trapline Tenure Holder 1 | | | |
| 798 | 06/24/2011 | Phone Call | 1) Trapline tenure holder provided information on past and current use of his trapline. 2) Comments: (a) potential effects on trapline. |
| 1678 | 06/24/2012 | E-mail | 1) YMI provided a Project update. Requested information on the trapline tenure holder's operations. |
| 1855 | 08/01/2012 | Phone Call | 1) Discussed potential Project effects. |
| 1918 | 08/01/2012 | E-mail | 1) Further to their phone call on 08/01/2012, the trapline tenure holder provided information on his current and past trapping activities. |
| 1928 | 08/03/2012 | E-mail | 1) YMI invited the trapline tenure holder to attend the 09/13/2012 open house in Clearwater. |
| 2182 | 10/09/2012 | E-mail | 1) YMI provided a Project update. Requested a meeting to discuss mitigation options. |
| 2205 | 10/12/2012 | Phone Call | 1) Discussed potential effects on access and to economic of trapline tenure, as well as mitigation options. |
| 2270 | 10/12/2012 | E-mail | 1) YMI requested to be informed if access to the Project site was needed. Will provide a hard copy of the map showing the mine site layout overlaid on his trapline tenure. |
| 2222 | 11/15/2012 | Phone Call | 1) Discussed potential effects on access and use of trapline, and mitigation options for, the trapline holder's tenure. |
| 2504 | 11/16/2012 | E-mail | 1) YMI provided documents relating to mitigation options. |
| 2367 | 11/17/2012 | E-mail | 1) YMI notified the trapline tenure holder of winter drilling activities on the project site. |

| ROC # | Date (Location) | Communication Method | Topic of Discussion |
|---------------------------------|----------------------------|---------------------------------|--|
| 2224 | 11/19/2012 | Phone Call | 1) Discussed trapper's concerns about access, economic effects, and water quality on wildlife and fish. 2) Comments: (a) access to trapline; (b) economic impacts on trapline; (c) water quality in tailings pit; (d) disturbance of wildlife and fish. |
| 2238 | 01/18/2013 | Phone Call | 1) Discussed nuisance wildlife control in the mine site footprint during construction and operations. |
| 2507 | 01/22/2013 | E-mail | 1) Discussed mitigation options. |
| Trapline Tenure Holder 2 | | | |
| 790 | 06/20/2011 | Phone Call | 1) Trapline tenure holder requested a meeting to discuss potential Project effects on the trapline tenure. |
| 796 | 06/22/2011 | Phone Call | 1) Trapline tenure holder discussed current and past use of the trapline. 2) Comments: (a) potential effects on trapline. |
| 1077 | 10/12/2011 | Meeting | 1) Trapline tenure holder provided information on past and current use of the trapline. |
| 1091 | 10/27/2011 | Phone Call | 1) Further to their meeting on 10/12/2011, YMI confirmed that a map of the area had been delivered. Also noted that the remaining drill holes have been completed. |
| 2209 | 10/20/2012 | Meeting | 1) Discussed potential mitigation options, pullouts for snowmobile access to the trapline and well/ drinking water sources for sampling. 2) Comments: (a) potential project effects on the trapline tenure. |
| 2287 | 10/21/2012 | E-mail | 1) YMI provided documents relating to mitigation options. |
| 2359 | 11/14/2012 | E-mail | 1) In response to a request (11/14/2012), YMI provided information on the winter drilling program. |
| 2234 | 12/13/2012 | Phone Call | 1) Discussed the proposed power line route and mitigation options. |
| 2512 | 04/10/2013 | Meeting | 1) Discussed mitigation options. |
| 2956 | 01/21/2014 | Interview | 1) Interview of trapline tenure holder for historical report. |
| 3285 | 07/25/2014 | Mail | 1) YMI mailed a copy of the historical report to the trapline tenure holder. |

Table 3-K2. Summary of YMI's Communications with Local Government (to July 31, 2014)

| ROC # | Date (Location) | Event Type | Topic of Discussion |
|-----------------------------|----------------------------|------------|---|
| District of Barriere | | | |
| 132 | 01/18/2011 | Meeting | 1) Sustainability planning meeting, attended by the Mayor, Council, staff, and community members. |
| 1413 | 05/12/2012 | E-mail | 1) YMI updated the Mayor on the BC EAO Working Group meetings after the Mayor noted in an e-mail of 05/11/2012 that he would like to be a member of the Working Group. |
| 1839 | 07/11/2012 | Meeting | 1) YMI provided the Mayor with copies of the presentations from the Working Group meetings held to date. |
| 1986 | 07/21/2012 | E-mail | 1) YMI provided a copy of their presentation about jobs and taxes, and invited the District to attend the upcoming open house. |
| 2208 | 10/19/2012 | Phone Call | 1) YMI provided an update on the Project. |
| 2334 | 11/07/2012 | E-mail | 1) YMI provided a copy of the YMI presentation from the Working Group meeting. |
| 2377 | 11/18/2012 | E-mail | 1) YMI informed the Districts of the upcoming winter drilling program. |
| 2247 | 02/05/2013 (Clearwater) | Meeting | 1) Discussed power for the Project, as well as the EA process (District of Clearwater and Thompson-Nicola Regional District- TNRD- also in attendance). |
| 2411 | 04/02/2013 | E-mail | 1) YMI notified the Districts of Barriere and Clearwater that the Application/EIS has been submitted to the BC EAO. |
| 2415 | 04/09/2013 | E-mail | 1) YMI provided information on the BC EAO Working Group to the Mayor. |
| 2487 | 04/09/2013 (Barriere) | Meeting | 1) Meeting with Mayor and Council. YMI provided a Project update. |
| 2591 | 07/02/2013 (Clearwater) | Meeting | 1) Discussed the need for power, and that new projects coming into the region will need power to move forward so local areas can create jobs and economic development benefits (Clearwater and District Chamber of Commerce, District of Clearwater, and TNRD also in attendance). 2) Comments: (a) need for power for economic development and the mine in the North Thompson Valley. |
| 2546 | 07/05/2013 (Barriere) | Meeting | 1) YMI introduced the new YMI CEO to the Mayor. |
| 2518 | 08/08/2013 (Barriere) | Meeting | 1) YMI provided the Mayor with information on the EA process, status of the Application/EIS and next steps. Also discussed power for the North Thompson Valley. |
| 2679 | 10/10/2013 | Phone Call | 1) YMI provided the Mayor with an update on the Project and EA overview, status of the Application/EIS and next steps. |

| ROC # | Date (Location) | Event Type | Topic of Discussion |
|-------------------------------|----------------------------|-------------------|---|
| 3078 | 04/11/2014 (Barriere) | Meeting | 1) Meeting with the Mayor. Discussed power needs, labour and skills analysis, and potential meeting with TNRD later in the summer/fall. |
| 3286 | 07/08/2014 (Barriere) | Meeting | 1) Meeting with the CAO and several councillors. YMI provided an update on the Project and submission of the Application/EIS. |
| 3267 | 07/25/2014 (Barriere) | Meeting | 1) YMI provided a Project update (TNRD also in attendance). Discussed a potential meeting with the TNRD board of directors to provide an update. |
| District of Clearwater | | | |
| 125 | 09/28/2010 (Clearwater) | Meeting | 1) YMI introduced the Project to the Mayor and Council. |
| 129 | 12/07/2010 (Clearwater) | Meeting | 1) YMI introduced the Project to the Clearwater Economic Development Board (CEDB) and District Council. |
| 130 | 02/02/2011 (Clearwater) | Meeting | 1) YMI provided an update on the Project to the Council and the TNRD. |
| 169 | 05/02/2011 | E-mail | 1) YMI responded with answers to the District's email (05/02/2011) requesting involvement in the socio-economic study and asking questions regarding the job and contract opportunities, training and use of a camp. 2) Comments: (a) camp verses living locally in communities. |
| 194 | 05/10/2011 | E-mail | 1) YMI made arrangements for a copy of the dAIR to be left at the District office for public viewing. |
| 208 | 05/12/2011 (Clearwater) | Meeting | 1) YMI introduced the Project to Yellowhead Community Services. |
| 241 | 05/19/2011 | E-mail | 1) Provided the FTP link for the PDF of the dAIR for the District to provide to the Chamber of Commerce. |
| 686 | 11/07/2011 | Letter | 1) YMI thanked the District for their support of the Project. YMI has made a commitment to hire local, when available. |
| 818 | 11/30/2011 | E-mail | 1) YMI provided an update on the status of the Project in the EA process. |
| 1237 | 04/09/2012 | E-mail | 1) YMI requested involvement of community members in upcoming camp positions. |
| 1238 | 04/10/2012 | E-mail | 1) In response to the District's request (02/27/2012, and 03/31/2012), YMI provided information on jobs and training associated with the Project. |
| 1262 | 04/16/2012 | E-mail | 1) Discussed involvement of community members in upcoming camp positions. |
| 1406 | 04/26/2012 (Clearwater) | Meeting | 1) YMI provided an update on the EA process to the Mayor. |
| 1136 | 05/24/2012 (Kamloops) | Meeting | 1) Discussed training opportunities and partnerships (Thompson Rivers University also in attendance). |

APPENDIX 3-K. SUMMARY OF YMI'S COMMUNICATIONS WITH THE PUBLIC (TO JULY 31, 2014)
